[TRINITY BAPTIST CHURCH | JANUARY 2018]

For The Journey ...

I love the expression, "God is good." It usually receives the response, "All the time," Which in turn receives the response, "And all the time, God is good." There are numerous things in our world which concern us but one thing we can stand upon is the reality of God's goodness. There were many things in 2017 which called us to pray both personally and corporately. The events of 2017 took us down a path together considering what we could do for the victims of Hurricane Harvey and rallying in support and prayer for First Baptist Church, Sutherland Springs. We celebrated the birth of children and grandchildren, while also releasing loved ones and friends as God called them home.

God has blessed us with a great year of ministry together. I cannot help but sense that God has another year of great blessings in store for us as we continue to move forward. You will be receiving an opportunity to help our Long Range Planning Task Force by submitting a completed survey that will be coming your way soon. We have many things for which to be thankful of which the most is the goodness of God followed closely by the faithfulness of the people who call themselves Trinity Baptist Church.

You are a blessing to God, to your families, to our church and to our community. We are living at a great time of history. I would go so far as to say that we were chosen to live in this section of history in order that we might advance the Kingdom of God. The Kingdom of God is bigger than anything we can put our words or definitions around. However, we are all called to walk together as we march down the path of faith.

Though we completed our study of the book of Romans on Wednesday nights this past December, we draw upon the insight and application daily. We are told in Romans 12:4-5, "For as we have many members in one body, but all the members do not have the same function, so we, being many, are one body in Christ, and individually members of one another." And again in Philippians 2:3-4, "Do nothing out of selfish ambition or vain conceit. Rather, in humility, value others above yourselves, not looking to your own interests but each of you to the interests of the others." I hope you draw encouragement and direction from the reality that as a church we are connected to one another in the Body of Christ. Not just as Trinity, but throughout the whole world as we belong to all professing believers in Christ.

The emphasis for our church will remain steady. We will look for our direction encompassed in the Word of God. We have incredible people in place and anticipate taking great strides in the future impact of Trinity in the years to come. Join us for the journey. Come, be invested, and see through the eyes of faith all God has in store for His people. "Taste and see that the Lord is good; blessed is the one who trusts in Him." Psalm 34:8 The journey may not always be easy, but it is always worthwhile with God. See you on the path!
