MONTHLY NEWSLETTER | TRINITY BAPTIST CHURCH | JULY 2018

For the Journey ...

"Know therefore that the Lord your God is God; he is the faithful God, keeping his covenant of love to a thousand generations of those who love him and keep his commandments." Deuteronomy 7:9

God, He is the faithful God and we are definitely recipients of His blessing. His love endures forever. We have experienced a spiritually fruitful summer. Travis Garcia has carried two groups of students to summer camps while Kellee Parish has taken a group to Pre-teen camp and also charted our course through Vacation Bible School. Our Dominican Republic Mission Team has traveled through customs and returned. I have not heard about all God has done but I am certain we will hear more in the days to come. We do know that eight children prayed to receive Christ at Vacation Bible School and two more prayed to receive Christ as Pre-teen camp. We are awaiting several opportunities of celebrating with them through believer's baptism.

We concluded our Midweek Bible study, Kingdom Principles: Living According to the Parables of Jesus out of the book of Matthew. This summer with our family attention on our grandson, Ben Kelley's heart surgery, JD Templeton and Larry Danks will be leading us on Wednesday nights. We are so blessed to have such quality ministerial staff. I am looking forward to our next study together as we enter into the fall.

Don't be surprised if you hear that a special called member meeting is being arranged. Our Long Range Planning Task Force has been busy interviewing architects and is close to bringing their recommendation to the church. As we think about our present needs and those we perceive will be coming our way, this task force along with your input from our survey has taken to heart the direction that will move Trinity to next levels of ministry opportunities.

As our times together on Sunday mornings have indicated, we are all called to keep moving forward. Our world needs the Church to be loving, committed and resolved. Trinity Baptist Church has proven herself faithful to the task before us and tomorrow only grants us an opportunity to be faithful again. God has called a dynamic group together here in Kerrville. It will be an amazing experience together as we continue to do our part and encourage those around as well.

God is working in our church and in our community. We have several churches with whom we stand alongside while doing our greatest work by standing alongside one another in our church. We recently studied the parable of the talents in Matthew 25. We were reminded that God holds us accountable for that which He gives to us. He expects nothing less and nothing more. Let us use all God has given so that we may produce all God desires.

Hope to see you on Sunday,

Pastor John

Dear Pastor Wheat:

On behalf of First Baptist Church of Taft, I would like to thank you for your generous grant of \$20,000. Your commitment to helping us with our ministry expenses is sincerely appreciated.

Each year First Baptist Church of Taft continues to advance its mission of reaching the lost for Christ by being the Hands and Feet of Jesus. Through our outreach programs we have seen many lives changed for the better.

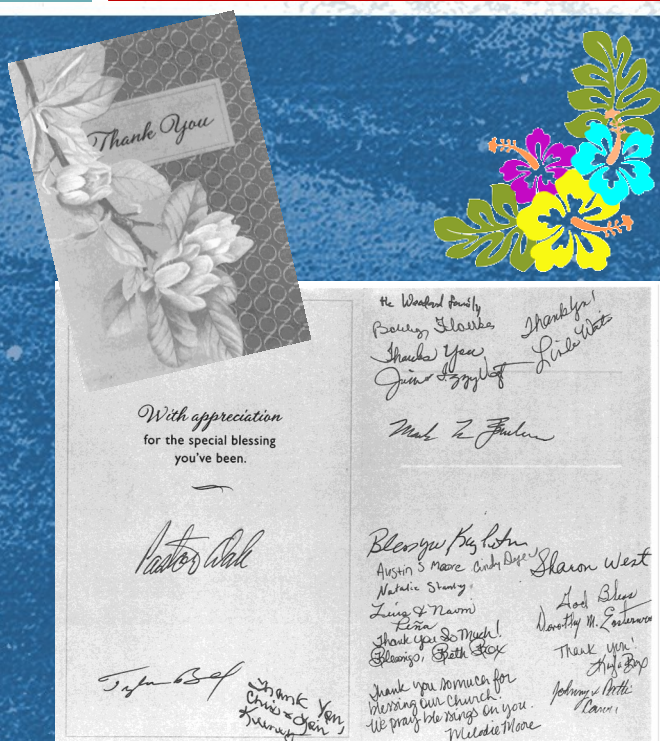

The goal of the First Baptist Church of Taft is to continue to make a difference in the lives of people in our area with The Gospel of Jesus Christ. With the help of donations from supporters such as you we will continue to see improvements in the number of believers in South Texas.

Thanks again for your generous support of our efforts to reach the lost for Christ.

Until He Returns,

Dale L. Moore
