SHORT TERM
MISSIONS
Offering

Share Jesus with the world!

TBC's 2019 Short Term Missions
Offering Goal is: \$9,000

Our Short Term Missions Offering is collected through February

January was an exciting month for Trinity Baptist Church. We were honored to vote in sixteen new members who desire to come alongside us as we serve the Lord and baptize six who were testifying to their commitment to Christ. The Long Range Planning Task Force has been busy preparing for the next steps in the history of TBC. Our Youth Ministry Search Team has been busy and have selected a candidate to bring before our church on the weekend of March 3rd. There will be more details to come. Men's and Women's Bible studies are back in full swing. We continue to offer a great small group ministry with excellent Bible study leaders. Our small groups meet mainly on Sunday mornings but we have one small group that meets on Wednesday night.

We saw a great display of artwork at our Artisan Showcase hosted by our Worship Ministry at our recent Family Gathering. It was such a blessing to get to know some of our Trinity members a little better by viewing and visiting about their passions and artwork. We also rejoiced at our Member meeting following the showcase the fact that God blessed us with reaching our 2018 budget. What was not mentioned was that we didn't spend our 2018 budget so God has blessed us for 2019.

Why do we do what we do? I hope that you not only know the answer to that question but are engaged in the mission as well. We truly believe that to live and die outside of a relationship with Jesus Christ is the worst condition for anybody. We also believe that to live and die with a relationship to Jesus Christ is the greatest condition for all. We have a message to both receive and share. We study the Bible to know God and His design. We learn in Scripture of Jesus Christ who makes all things possible. We see our condition of sin and God's remedy in Christ. The Church has been given the greatest of honors in representing Christ as His ambassadors.

We live in a country that provides us with great freedoms. Others paid the price for us to enjoy our way of living and thinking. As a country we have used our freedoms to protect and condemn. We are to pray for those in authority. God is still in control even when freedoms contradict His design. God has given us choice but we must also recognize there are consequences to our choices. We will all stand before the Lord to give an account of what we have done whether good or bad.

As followers of Jesus we are commissioned to think about the needs of others. We are commissioned to go and make disciples of Jesus. We are called to live pure and holy lives. There is a biblical morality that needs to be lived before others. I am thankful for the Church. I am thankful for those who are running toward the Lord at all costs. They are displaying the abundant living that Jesus came to give. Abundant living has little to do with bank account and much to do with life.

We have a glorious message to share with our community. It starts at home and the concentric circles move it to the outside. Ministries taking place at TBC have a purpose: that we would receive God's blessing and be equipped to share God's blessing with those around us. The world needs strong biblical churches today. I am so blessed to get to walk alongside one who calls herself, Trinity Baptist Church.

In Christ,
