

TRINITY BAPTIST CHURCH - KERRVILLE, TEXAS

2022 MINISTRY PLAN

800 JACKSON RD, KERRVILLE, TX ▲ (830) 895-0100 ▲ TBCK.ORG

IT SAYS WHAT IS IMPORTANT

Jesus recognized how we handle our financial resources reveals much about how we handle our faith. Almost half of his parables deal with money and possessions. How much more is it an indicator for a community of faith made up of Christian believers identifying as part of the Church?

More than just covering expenses this Ministry Plan communicates mission and purpose. Join members of Trinity Baptist Church in this mission by giving joyfully your tithes and offerings. Contributions can be given by cash or check during the response time at the end of every service, mailed to the church office, and given online.

The 2022 Ministry Plan is presented by the Finance Committee of Trinity Baptist Church with input from ministerial staff and the Ministry Team and Committee leaders of Trinity Baptist Church.

Planned Ministry Plan Discussion Dates:

Wednesday, November 3rd at 6:00 pm

Family Life Center GYM

Sunday, November 28th at 4:30 pm

Worship Center

Ministry Plan Adoption Vote:

Sunday, December 5th in all Worship Services
(without discussion)

A printed copy of 2022 Ministry Plan detailing items as they are seen in a Regular Member Meeting is available by request from the church office.

FROM KERRVILLE TO THE NATIONS

In 2022 Trinity will continue its heritage of making missions a cornerstone of who we are. For every dollar given towards the Ministry Plan the first 11 cents go to ministry beyond the walls of Trinity through the Cooperative Program and the Hill Country Baptist Association.

Included in the Cooperative Program portion is a fund called TBC Missionaries for sending financial support to missionary families not connected to the missionary sending agencies of Baptist entities.

Trinity also supports the Christian Assistance Ministry, Christian Men's Job Corp and the Christian Women's Job Corps which are ministries serving needs locally in Kerrville.

During the years Trinity members have regularly served on trips to the Dominican Republic and Mexico as well as Costa Rica and Moldova. Along with special offerings to assist with Trinity members' cost of participating on mission trips the Ministry Plan provides funds to cover costs of supplies for Trinity sponsored mission trips.

PASTORAL MINISTRY

Spiritual leadership helps a church to stand rightly in its community as a lighthouse and center for faith.

Our pastor is leading ministers, deacons, and church members to put evangelism and discipleship on the front line as we grow in Biblical knowledge and are challenged to spiritual commitments and lifestyles through preaching and Bible study. Pastoral Ministry is also the core of member care and ministry.

We will be encouraging the church (and the Church) to grow in depth of knowledge of God and a commitment to seek holiness. Speaking and living the gospel will continue to be at the heart of Trinity.

WORSHIP MINISTRY

As we lift praise, worship touches every congregational person every week pulling us together as a family and syncing our hearts and thoughts in worship of our Creator and Redeemer.

Our choirs and performance groups symbolize what we can do together as God's Family. Through special programs the message of salvation is communicated to the surrounding community and opportunities to respond are given. Not only that, our congregation is given impetus to reach out into homes and to invite people they wouldn't otherwise. We are involving not only those who are in the program, but it is an incentive to the whole congregation to become active again in inviting people to come to Christ.

God develops skill and selflessness in Worship Ministry leaders as they support other areas of the church such as music for Bible study groups. Our community and world are impacted through the behind the scenes servants of KCYR 101.5 FM and the Video Ministry.

In 2022 we desire to enhance the collaboration of multiple generations in worship endeavors. We do things for Christ as a group that we could not do as individuals. There is joy in worship.

ADULT MINISTRY

Adult Discipleship provides spiritual growth and Kingdom service opportunities for Trinity. Those who teach our children and youth are strengthened in their faith practice through small group Bible study, marriage enrichment, men's and women's ministries, etc. Our Bible study groups provide fellowship and accountability, meeting the "house to house" model of Acts 5:42. We prepare believers to live Romans 12:1-2 lives.

Kerr County benefits from disciplined volunteers from communities of faith. Ranging from sports leagues, schools, charities, service organizations, and more, Trinity supplies a significant number of voluntary servants to our community. These men and women have a specific and unique worldview, shaped as disciples following Jesus. Our neighborhoods have people who minister the love of Jesus through benevolent acts of kindness. Our parents are more likely to love their children with grace and sound discipline. Marriages and families have support for growing in Christ-like love.

Serving in any area of Adult Discipleship develops all of the fruit of the Spirit. Serving equips people with wisdom, knowledge, and leadership skills which in turn makes better servants.

In 2022 we are focusing on developing leaders who reproduce. Our spiritual DNA and culture must grow in the belief and practice that we want to multiply our small groups. We grow more numerically and spiritually through our small group Bible studies. Do we have the courage to ask: "What am I willing to sacrifice so that we grow in significant, kingdom worthy ways?"

YOUTH MINISTRY

So much of what we do is trying to present to teenagers, as their world starts to open up, the reality of a relationship with God. And how it impacts our lives, our families and our schools. We are raising up students who are standing for their faith and have come to terms with what it looks like to live out their faith.

A healthy student ministry impacts families by helping them get plugged into our community of faith as a whole. Our student ministry is not just for teenagers, but it is for parents of teenagers, grandparents, and their larger family unit.

We are raising up leaders. Leadership is a topic Jesus spoke about in Mark 10. Students are challenged at Trinity to be leaders following Jesus' example. In the same way for adults the youth ministry is a way to serve and to give back/pour into teenagers as they were poured into.

In 2022 we will continue to be a light and a place where teenagers can come and find hope through the gospel and connections with generations outside of themselves.

CHILDREN'S MINISTRY

The ministry to children, and by the children, of Trinity Baptist Church reaches beyond the walls of the church and into the surrounding community. Through children and families future generations are drawn closer to Christ and a saving relationship with Him.

We desire for children to know they created by God and made for a purpose. We provide building blocks for kids to learn about Jesus and support for parents to help kids come to Christ. Opportunities for them to grow in their relationship with Christ come through Bible study classes, mission service groups, and intentional Christ-centered care.

Our classes are growing as children are returning. We are creating new classes/groups to better meet the children where they are in their development to lead them to a relationship with Jesus Christ.

TO ENGAGE

Kerr County residents are strengthened in their spiritual nature by communities of faith and their physical expressions. Hope, faith, and belief in Christ our creator are the foundation for a holy society. Trinity's buildings and systems are a buoy for Kerr County when they support and provide for the work of ministry through the people who are Trinity Baptist Church.

Church staff and facilities are dedicated to the mission and purpose of the church. Trinity members are stewards of God's resources here. We are putting those resources to work in order to gain an abundant return.

Participating on a ministry team and serving as a committee member develops in you a servant's heart and builds a reputation for you as a leader in God's Church.

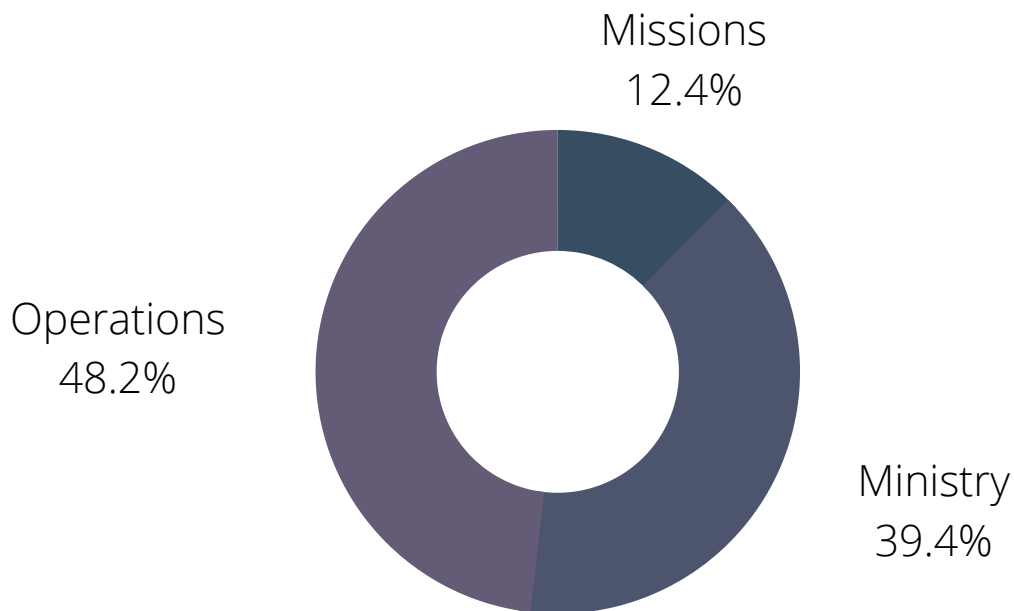

We will finish our Blessed to Bless construction in 2022. Looking forward to that and the opportunities it will bring we are in the process of evaluating and enhancing church systems of volunteers and member leadership. Now is the time to step into leadership and service in the ministry of Trinity Baptist Church.

Put the passions and gifts God has given you in his service. Ministers and member leaders of the various areas of ministry are ready for you to plug in. Contact us through the church office or as you see us.

Worshipping, Connecting, and Serving are represented through the three areas of Trinity's Ministry Plan: Missions, Ministry, and Operations. We are challenged by the example given to us in Christ and are striving to be the church God has called us in Kerr County and beyond.

You are invited to join us! For some that means beginning by requesting membership at Trinity. Membership affirms you are identifying yourself with the mission and beliefs of Trinity and committing to community. For all of us it is obedience to give a tithe back to God for what He has entrusted to us. Through our tithes and offerings the church is able to provide for the work of it's mission and purpose.

For Ministry In 2022
\$2,281,319

Tithes and offerings can be given joyfully by cash or check during the response time at the the end of every service, mailed to the church office, and given online.
