MONTHLY NEWSLETTER OF TRINITY BAPTIST CHURCH | MAY 2022– VOLUME 3, ISSUE 5

For the Journey...

What a wonderful blessing and honor it was to celebrate our Risen LORD on Resurrection Sunday. We are still meeting those who came to experience the Victor and are returning to worship with us. God is blessing as we continue to visit with others and make plans for baptisms. On Easter Sunday morning we had 710 worship with us on campus and another 210 worship with us online. Praise the LORD!

There are holes in our building, but that is a good thing. The builders have penetrated the exterior walls and have now joined our established building to our new building. It looks amazing. We are beginning to get a glimpse of what our new facility will bring our way. We have begun our third year of our pledges and Trinity Baptist Church has gone above and beyond. We are so fortunate to serve the God who meets our needs and provides for our direction together. I am anticipating a day, in just a few more months, when we will be gathering to dedicate new opportunities for ministry through TBC because of God's provision of gathering space and discipleship. These are exciting days.

The month of May will bring great ministry opportunities our way. The Encore Senior Adult Days, highlighting our Prime Time Ministry, begins the month. We will recognize our graduating seniors on May 15th and

welcome our two summer interns later in the month. Our Women's Bible study and our Men's Bible study have concluded for a brief break before the summer studies start. I am simply amazed at all the meaningful ministry taking place at Trinity.

Please be praying for both Larry and Mary Pat Danks as they draw closer and closer to Larry's date of retirement. We will surely take advantage of appreciating the Danks for their tenured ministry of over 15 years at TBC. You will get more information next month, but be sure to put the date of Larry's retirement reception on your calendar - Sunday, June 26th.

Also, be in prayer for our Worship Minister Search Committee as they begin the process of discovering who our next Worship minister will be. I appreciate this committee's dedication to pray and I know they would cherish your prayers for them as well.

"Now to Him who is able to do immeasurably more than all we ask or imagine, according to His power that is at work within us, to Him be glory in the church and in Christ Jesus throughout all generations, for ever and ever! Amen." Ephesians 3:20-21

Friendship Class by Linda Worden

The Friendship Bible class at Trinity Baptist Church meets in room 221 at 9:45 Sunday mornings and is made up of adults of all ages with diverse backgrounds. Currently, the class is led in a discussion of the sermon from the previous Sunday morning service. The teaching leaders are Frank Brooksher and Bob Davis on a rotating basis. Each leader facilitates the discussion in a manner that includes all class members, whether they were in the previous week's service or not.

Some members have been a part of this class for many years and others have joined very recently. Our class discussions include input from folks who have broad knowledge of scripture and others whose knowledge is at a different stage. This blend of people is evidence that all are welcome in this class no matter the person's background. The emphasis for participation is that all desire to grow in understanding of the scripture. Sharing of life experiences by class members during discussion oppor-

tunities provides helpful examples of how God has been and is at work in our community and world. The class warmly welcomes all visitors who are interested in studying God's word with fellow believers and seekers.

The Friendship Class also encourages weekly prayer support for class members. Prayer requests are shared before the class ends each week and those prayer needs are emailed to each class member for continued prayer throughout the week.

Many class members are involved in other areas of life at Trinity such as the choir, mission trips, teaching, greeters, church member care, childcare and/or weekly Bible Studies, plus other avenues.

We are not large in number, but we welcome growth. We meet at 9:45 AM each Sunday morning in room 221 which is on the right just before the walkway above and around the Family Life Center. The fellowship we share during the class time is a source of friendship, encouragement and spiritual growth for each member. Come to visit and join our friendly group.

Jubilee Class by Eva Euler

From Noah Webster Dictionary, 1828:

*To shout for joy; a season of great public joy
and festivity~~*

Jubilee Bible Class~~Oh, my! What a praying
class! And what fun we have! We are a mixed
class, meaning men and women, couples,
singles, all ages welcome!

The ladies (*Juliets*) meet the 2nd Tuesday of
each month for a breakfast at Cracker Barrel,
and the men (*Romeos*) meet the 3rd Tuesday
of each month at Cracker Barrel, for
comradery, friendship strengthening, and up-
lifting prayer.

And, on the 4th Friday of each month, the
ladies meet again to play Mexican Train, when
we laugh, pray, and eat snacks!

More good fellowship and friendship time is
shared on 5th Sundays, usually with a covered
dish in the Family Life Center after preaching
on that Sunday at noon.

The most important aspect of our class is our
Bible teachers. We have 3 excellent teachers:
Bill Parr, Gene Ayers, and Chris Christopher-
son, all of them wonderful men of God who
rotate teaching for one month each. The Bible
always has something new for each of us in
every season of our lives, and each of these
teachers brings the Word alive again and
again.

Again, we are a *praying* class: this cannot
be overstated nor stressed too much. The
prayers of our members sustain us and see us
through the many situations that life
always has for us to deal with. You
can feel the love among our mem-
bers when you walk in the door!

*ONWARD & UPWARD, with the JOY
of the LORD!*

Women's Bible Study by Shelby Peschel

I recently had my teenage son help me with some heavy boxes in our attic. Our quest was hunt down a Bible Study workbook that I had studied over a decade ago. Turns out, we had multiple boxes to search through, with over forty workbooks total much to his dismay and my delight.

As I rummaged through the different titles, I recalled many of the deep spiritual truths learned with each study. There was the one on *The Covenant* where I learned foundational truths of God's constant loving-kindness. The one on *Daniel* where I learned that God is with me in the fire. The one on *Psalms 23* where I learned that no matter the valley, my Shepherd will guide me. Reminder after reminder of lessons learned from dedicated time in study of God's Word.

But perhaps more so than lessons learned, I recalled faces. Faces of the women, of all ages and all walks of life, who not only studied together but encouraged & uplifted one another. There was the one study where I was new to

town and honestly just wanted to meet other Christian women. The one where I was an exhausted new mom and those smiling church nursery workers during Bible Study once a week were my saving grace. The one where we prayed fervently for healing for a class member's mother. The one where we rejoiced together, the one where we cried together, the one where we laughed together...

As I looked over twenty years' worth of studies, never once did I regret the time spent studying God's Word and growing with other ladies. Women's Bible Study (WBS) is time well spent. Simply put, it is life-giving. WBS meets Wednesday mornings and Thursday nights. We are currently studying *Jonah* with plans for a summer study on *1 Peter* and then *Acts* in the fall. More information can be found online at www.tbck.org/adult-groups. There is a place for you, and you are invited. This could be the one where...

"Lord, Your word is forever; Your faithfulness is for all generations; I will never forget Your precepts, for You have given me life through them."
