MONTHLY NEWSLETTER OF TRINITY BAPTIST CHURCH/SEPTEMBER 2022—VOLUME 3, ISSUE 9

## For the Journey...

The world has never been boring. Everyone who has ever lived, lived in interesting times. We most certainly see interesting things around us today. We can notice the evil that is so prevalent around us or we can focus on our response and provide an escape. As I shared recently in a sermon, I have never lived in a time when the church is so opposed as it is today. There have been worse days in our history, but our post-modern culture presents challenging assignments for the church.

I am not depressed. I have read the end of the book. Nonetheless, these truly are interesting days. How we respond to everything going on in our world today speaks volumes about our faith and trust in God's plan and solutions. It is time for us to hold strong to our biblical upbringing. It is time for us to stand on the truth of God's Word. It is time for us to refute heresy with gentleness and respect allowing others to see the validity of our message. Sin carries consequences and a life lived in the Spirit produces fruit.

I recently read some great advice regarding our response to our current situations. *We are challenged to walk with God today in what we know while waiting for tomorrow to come.* We ought to be preparing ourselves for what is coming our way while at the same time living productive and fruitful lives. We desire for others to see the good things we do and glorify our Father in heaven. Our faithfulness is a powerful witness to those around us.

So how do we spend our time? We should consider evaluating what is most important and give our highest cause our greatest service. We are moving closer to a grand opening to a new opportunity. A new gathering place and teaching space. I am already anticipating greeting you in our new entrance. It will be joyful to look down from our walkways to see the fellowship taking place.

Faith family, you have been faithful to the task and faithful to your commitment. We are experiencing God's blessing because we are sharing the blessing God has given in order to bless those we know as well as those we don't know yet. Thank you for your faithfulness.

I want to also express my thanks to Carrie Overby who has served faithfully as our Worship Ministry Assistant. Carrie will be stepping down at the end of this month. Carrie is greatly involved in our worship ministry as a participant, but has also provided great leadership. Stephanie Clarke will be coming on staff this month to work alongside Carrie. We are grateful for all of God's provision and are blessed by such a great group of ministers and assistants. Thank you, Carrie. Welcome, Stephanie.

Stay tuned to the announcements coming your way. We hope very soon to let you know when we will celebrate a grand opening to our new building. Who knows, we might even bring back donuts.

In Christ,

*Pastor John*

September is Trinity's opportunity to give to the Mary Hill Davis Offering. Your gifts to the Mary Hill Davis Offering continue to empower state mission efforts for Texas Baptists. Together, WMU of Texas and Texas Baptists are able to send missionaries and provide opportunities for people to hear the Gospel and find hope in Christ. 100 percent of the money collected goes to sending missionaries, supporting missions in Texas, and sustaining WMU of Texas' ministry efforts.

In addition, the week of September 18-25 will be our Mary Hill Davis prayer emphasis. Prayer guides will be available in the church bulletin as we offer our prayers for Texas Baptist missionaries and ministries.

# Children's Ministry by Kellee Parish

I am so very grateful for the prayers and support from our church. We had a wonderful summer in the Children's Ministry and I'd like to share a couple of highlights for me personally.

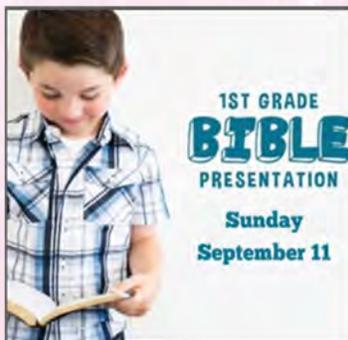

We had a great group of kids at VBS and camp that accepted Christ. Many of them have been baptized the past few weeks and we still have some that are needing to be baptized. It has been such a blessing to see God work in the lives of our kids this summer. VBS and camp both were great times to have spiritual conversations as well as spiritual decisions. We are continuing many conversations as we head into fall. I hope we keep having to fill up that baptistry each week because we have so many kids, students and adults come to Christ!

Another highlight of the summer for me was during Pre-Teen camp. One of our church families had a girl from Japan living with them as a short-term foreign exchange student. I am so very grateful that she was able to go to camp with us while she was in Kerrville. We gave her a Bible of her own while we were at camp and the girls would sit down to help her learn to read using her new Bible. She worshipped and heard God's word alongside our kids. My heart was thrilled to see our girls teach, love and minister to their new friend. We are praying for God to grow the seeds that were planted in her life. Who knew that we'd be blessed to have foreign missions come to us at camp.

Thank you, Trinity, for praying and supporting us during VBS, Camp and summer programming. I'm so very grateful for our church!

## Youth Ministry by Wes Henson

The beginning of school is always a busy time of year in Student Ministry. New routines start to get established and new experiences start to take root as teenagers return to school.

We have some exciting things happening in the Student Ministry here at Trinity. One of the things I love is seeing how students who connected at camp have come home and are experiencing a new level of encouragement on Sundays and Wednesdays. Even better than that, seeing students take next steps of faith is a remarkable sight as well.

I say this often, but not nearly often enough: Thank you, Trinity family, for all of your support. I often find myself speechless in the willingness of our body to serve with what they have—time or resources or both. I cannot express how grateful I am to be part of this church.

Finally, please be in prayer for students and families as most schools are already 2-3 weeks into the new school year. For students, pray they will have the courage to take a stand for their faith, the boldness to start (or even simply make the most of) spiritual conversations, and a growth in their own faith. For parents, pray for the time spent driving to and from school and practices, and those parents who are grieving the loss of car time with their newly licensed drivers.

# Women of the Word Bible Class by Becky Doyal

We are the WOW Sisters. We are adult women of all ages (20's to 90's). We are single, married, widowed, divorced, mothers, grandmothers, and great-grandmothers. Most importantly, we are sisters in Christ's family, loving and caring for one another.

In Titus 2, Paul instructs the Godly *older* women of the church to train younger women in Biblical, Spirit-filled, love-based living. He singles out the mature women of faith, those who have already "been there, done that" and learned by going with Christ through many difficult life experiences, to love, to be reverent, godly, modest and wise; and Paul charges them to meet with the younger women in the church and teach them from the Word. Godly older women in the church take *Romans 12:1-2; 1 Corinthians 6:17-20; and Galatians 2:20* seriously:

*"Bodies presented as living sacrifices, holy, acceptable to God, not conformed to this world, but with transformed and renewed minds;"*

*in "bodies that are temples of the Holy Spirit, glorifying God in body and spirit, which are God's;" "no longer living for me, but Christ living through me."*

The WOW Bible Class is a place where women of all ages can openly share what's on their heart, find guidance for living from the Bible, receive encouragement with love, and learn how to have a personal relationship with their Lord Jesus Christ. Each Sunday morning, we communicate, pray and praise, learn from God's Word, and work on memorization. We will finish up our summer study of the *End Times* on September 4<sup>th</sup>. Then on September 11<sup>th</sup>, we will return to the MASTERWORK Bible studies by *Lifeway*.

The WOW Sisters welcome women of all ages and all Spiritual stages of life to join us on Sunday mornings in room 104, at **9:30 AM**. That's fifteen minutes *earlier* than the other classes meet because we tend to talk a lot!

Hope to see you Sunday.

# IF Simulcast is Coming by Melinda Cox

Ladies, mark your calendars for Friday, September 30 and Saturday, October 1. The IF:2022 Simulcast will be shown in the TBC gym—and you will not want to miss it. The purpose of IF:2022 "exists to equip women with gospel-centered opportunities to make disciples who will then go and make disciples." The IF simulcast was recorded live at The Village Church in Dallas and the pastor of that church, Matt Chandler, and his wife, Lauren, appear in the simulcast as well as many well-known Christian personalities such as Jennie Allen and Jada Edwards. Jennie is a Bible teacher and author and "the founder and visionary" of the IF Gathering. Jada is an experienced Bible teacher from the Plano, TX area who holds a Wednesday night Bible

Study with a weekly attendance of over 1,000 women. Through the simulcast, ladies will be able to worship in song and learn ways to be equipped to lead others to Christ. Time of the event is as follows: 5:30-9:30 PM on Friday evening and 9:00 AM-4:00 PM on Saturday. Cost of the event is \$19.00; a snack supper will be served on Friday evening and a light lunch on Saturday. Further details for registration will be coming soon. Hope to see you there!

# Eagle's Wings Lifegroup by Juliann Witte

Eagle's Wings home group meets on Monday evenings for spiritual accountability, fellowship, friendship, and study the divinely inspired word of God, utilizing Right Now Media resources.

Topics/Bible books are chosen by group consensus. Should an individual(s) be laden with a difficult obstacle in their life journey - time is taken to discuss that issue, regardless of course schedule, until it is satisfactorily addressed. The study format utilizes video with study sheets, scripture, and lively discussion. Discussions are respectful, engaging, informative, at times festive, and biblically sound.

Our experiences and journeys are at various stages. However, the sharing of our journeys and life experiences makes this group caring and supportive of one another with a sincere pursuit to emulate the life and work of Jesus Christ.

We seek to fulfill our group and individual spiritual journey in the works and word of our Lord Jesus Christ by being considerate and compassionate to those in need of assistance and encouragement within Trinity Baptist, Kerrville, and other local communities that need a helping hand; whether it be a kind note, prayer, or boots on the ground.
