MONTHLY NEWSLETTER OF TRINITY BAPTIST CHURCH / APRIL 2023 – VOLUME 4, ISSUE 4

For the Journey . . .

"For just as each of us has one body with many members, and these members do not all have the same function, so in Christ we, though many, form one body, and each member belongs to all the others." Romans 12:4

The Scripture goes on to tell us that we all have different gifts and encourages us to use our gifts in the measure of our faith. Everyone can see that God has gifted Trinity Baptist Church with incredible members who use their gifts and talents for God's best and our blessing. God has a path set out for us both individually and as a family journeying together. It is a beautiful thing to see the wake of our travels and how God has blessed.

The Victor is always a God-given task. It has been a faith journey as we have prepared for this year's gift to our community, without a Worship Minister in place. Others have stepped up and carried great responsibilities in order for us to put ourselves in the position of presenting the gospel to our community. Thank you choir, drama, technical team, advertising and inviting teams, and anyone who took it upon themselves to be on the giving end of this year's presentation. Wiley Wilkerson, Suzanne Harston, Riley Gordon and Sue

Stewart have gone above and beyond.

If you haven't heard, Trinity Baptist Church voted to call Charlie Barganier as our next Minister of Worship. Charlie, Vanessa, Noah, Micah and Hannah will be coming our way very soon. Welcome the Barganiers. We are excited about our journey together. Charlie's first Sunday will be May 7th.

We are fully in our new ministry space and it is amazing to see the connections already taking place. People are gathering in our new space all during the week. Thank you, Trinity, for your faithfulness to our process and kingdom agendas. Thank you, Wayne Uecker, Kay Bell, Wayne Comer, Kaleb Kurz, Paula Locke, and Lyda Green for serving on our Building Task force and bringing us home.

I pray you will have a blessed Easter and find time for gratitude and commitment during this season of remembering all God did, through Christ, on our behalf. May we find ourselves in full service to Christ as we use our gifts together.

In Christ,

Pastor John

Traditions & New Beginnings by Stephanie Clarke

I am a huge believer in our Victor ministry but, I must admit, even I was intimidated at the seemingly daunting task of coordinating and putting together The Victor, without Larry, or any worship minister for that matter. However, it has been a great lesson to trust God. It was His will for us to present The Victor, just as we have done annually for the past 11 years. And, He allowed it to happen. All of the pieces came together, as only He could do. I am so grateful God gave us this opportunity to present this special gift to our community. It is hard work, but it is so worth it, even if we reach just one person who doesn't yet know Jesus. We are so thankful for all who prayed with us for everything involved with the presentation.

It is an exciting time here in the TBC Worship Ministry, as we prepare for our new Worship Minister, Charlie Bargarner, to arrive! The view of a call weekend March 17-19 with Charlie and his family was a wonderful time of music and fellowship. It was a joy to work with him, and I know we are all looking forward to his arrival next month!

Walk Thru the Easter Story by Marsena Alley

One of my favorite events our church does is coming up. Join us Saturday, April 8th at 10:00 am for *Walk Thru the Easter Story*. Come to the east side parking area off Bluebell as children stamp their passports traveling from Jesus' triumphant entry into Jerusalem to the Empty Tomb! Each station will have a craft or hands-on activity for them to participate in. This provides a wonderful opportunity to share the gospel with our children, neighbors, grandchildren and friends! The morning ends with a fun Easter egg hunt for the children. See you there!

Mission Trip to Alto Frio by Anna Henson

A note from Wes Henson: In March, we had a great mission trip to Alto Frio and could not have accomplished all we did without the help of the adults who partnered with us through the Men's Ministry. I asked Anna Henson to share some of her thoughts and experiences from our time together.

Over Spring Break, I got to go on our Spring Break Mission Alto Frio trip. It was a lot of fun and we did a lot of work for the Lord. The first day my group got to paint one of the Gaga ball courts. I also got to paint a part of the cafeteria with my group. On the last day, we had completed all of the tasks but one.

Since we had more people than we had groups, we moved around the camp looking for odd jobs. I searched for a hose and got to help mix concrete. I was able to connect with some of the younger girls and I know that many new relationships were formed. I was so thankful to work with such a great group of people.

On the first day, our group managed to get through almost all of the tasks we had been assigned for the day and looked forward to the next day. Although we woke up early and were all tired, we got to work and worked enthusiastically.

All three days our group enjoyed getting to come together and worship through music and the words of one of the leaders from the other group. I personally felt so inspired that, when we had a time around the campfire to share testimonies, I had the courage to share a little of my own story. This opportunity was one I am so grateful for and am excited to go back again at the next opportunity.

Women's Ministry by Melinda Cox

"Let us run with perseverance the race marked out for us, fixing our eyes on Jesus, the pioneer and perfecter of our faith. For the joy set before Him He endured the cross, scorning its shame, and sat down at the right hand of the throne of God." Hebrews 12:1b-2

Women's Ministry at Trinity is off to a great start in 2023. Our annual kick-off event was held February 5 in the Family Life Center. This year's themed event was a High Tea complete with many different types of teas, finger sandwiches, cookies, and other sweet treats. Dr. Katie McCoy, Director of Women's Ministry at the Center for Church Health Texas Baptists, was our keynote speaker. She framed her talk around our verse for the year found in Hebrews 12:1b-2 and wove the theme of perseverance into the lives of three Old and New Testament women: Hannah, Abigail, and Elizabeth.

Women's Bible Study, under the leadership of Pat Hanna, is currently studying the Book of Acts. The July study will be 2 Peter, which was written by Debbie Williams.

Other upcoming events are a Lunch at The Cheesecake Factory and Shopping at La Cantera on April 22, a silk scarf craft on June 24 and a Back to School Prayer Breakfast in August.

Ladies, please join us as we study, pray, and fellowship together.

Texas Chainsaw Ministry by Rick Boles

The Texas Chainsaw Ministry is a Disaster Relief Ministry that ministers to those in need following hurricanes, tornadoes, and Ice Storms. Our Ministry partners with the Texas Baptist Men Disaster Relief. Our Ministry provides training on a regular basis so those who volunteer can be prepared to take trees off houses, other structures and can also remove trees and debris that block access to homes during disasters. Our Ministry is fully operated by volunteers who have a calling to meet those needs but, more importantly, use those disasters as opportunities to share Jesus Christ with those who may not have a relationship with the Lord.

God has been faithful to provide the equipment we have, from chainsaws, to a man lift, as well as a Skid Steer. Our equipment trailer has not only saws but ropes, pulleys, and other rigging equipment to be able to remove trees and limbs off structures so that the structures aren't damaged any further.

Over the last year and into the first part of this year our Ministry has served in these ways:

A team worked in the Columbus Texas area, removing debris from a house that burned down.

We worked an Ice Storm in South Austin for seven days with six members of our team. In disasters such as this, our team sleeps in

church Sunday School rooms and our meals are provided by a Disaster Relief Food Service team.

Currently, four of our team members are working at Alto Frio Baptist Encampment cutting trees to assist in renovation projects the camp has planned. They also remove limbs that could affect current buildings as well as clean up any damage caused by wind storms.

We also do some local work for people who are unable. This includes people with severe health issues, those who are widows, those who do not have insurance, and poor people who can't afford to deal with tree problems. It is important that we not get too involved in too many local trimming projects because our main purpose is Disaster Relief.

We appreciate the support provided by our church family and staff.
