MONTHLY NEWSLETTER OF TRINITY BAPTIST CHURCH/NOVEMBER, 2022—VOLUME 3, ISSUE 11

For the Journey...

"Now to Him who is able to do immeasurably more than all we ask or imagine, according to His power that is at work within us, to Him be glory in the church and in Christ Jesus throughout all generations for ever and ever! Amen."

Ephesians 3:20-21

Blessed to Bless has been in our conversations for the past four years. It truly has been a blessing to see how God has blessed our direction and provided through His faithful followers who call themselves Trinity Baptist Church. Your hearts of cooperation, sacrifice and stewardship inspire us to continue the good thing that God has placed before us. We serve a God who has grand schemes and desires of redeeming this world. He has given His greatest gift to us in Jesus. I am amazed at God's faithfulness to accomplish what He has begun. As we near the date of Thanksgiving, I am so thankful for our journey together and pray we can encourage more to journey with us.

There are just a few more details and then we will be announcing a special day to dedicate our new ministry space. If you have not taken the time to look through the open areas leading into our new building, do so and imagine with me the gathering of our present church and those who will come to join us. We will be back in our refreshed offices before long and will look forward to visiting with you there.

The word picture I have of the verse printed above is of a piece of paper where I have listed everything I could ever wish for and God com-

ing to me and telling me that He has something so much better. In fact, it is immeasurably better. The greatest joy that we have ever experienced will not compare to that which God is bringing our way. I want to be busy serving God until it is revealed. I hope you will join me.

On Friday, November 11th, as a nation we will celebrate Veterans Day. I hope you will make a note to stop wherever you are at 11:00 a.m. and say a prayer of thanksgiving for our veterans who have served our country and afforded us the freedoms we enjoy today. Many have given the ultimate sacrifice of life while others have been wounded in many ways. "The true soldier fights not because he hates what is in front of him, but because he loves what is behind him." — **G.K. Chesterton**. Thank you, veterans, for your service.

Continue to be in prayer for our Minister of Worship Search Committee. The committee is doing a great job of moving through the process to discover our next Worship Leader. Our committee loves our church and it is apparent as they follow the Holy Spirit's guidance. We have a wonderful ministerial staff and church staff at Trinity. God has knit together a group of individuals who work well to lead our church. Thank you for all your appreciation to our ministers. We love and appreciate the opportunity of walking alongside you as we serve the LORD. To God be the glory, great things HE has done, is doing and will do!

In Christ,

Pastor John

We are close to the end of our building project. Finish work is happening in most parts of the new building. As a part of that, the workers have removed our old elevator. Inspections are being pursued on our new elevator, but until we get the "go ahead" it will not be accessible to us. On any Sundays an elevator is not available, we will provide help to those who need it going from the Gym Emergency Exit to the parking lot to the Foyer Door.

Thank you, for your patient spirits through the project and here at the end. You have opened yourselves to allow God to bless the church and Kerrville through this building process through your spirits and your giving. Continue to pray for Master's Plan Employees, our sub-contractors (many of whom are local), and local inspectors these last weeks. There are so many final details to be finished and partnerships to wrap up. Thank you, Clint Brown

Men's Bible Study by Bill Parr

I have very few things in my life more enjoyable than teaching and/or participating in our Thursday morning men's Bible study class. The book we are currently studying is most challenging so the discussions are both lively and informative. Yes, Hebrews is certainly a challenge!

Beyond the studies, however, is the great time of fellowship around the cookie and coffee table. Also, there is a time of prayer that covers so many people and problems, both local and world-wide. This band of men reminds me of the men who followed young King Saul. They were called "a band of men whose hearts were touched". We have room for a few more.

See you Thursdays at 10AM in the Chapel.

Men, if you would be interested in a weeknight men's Bible study, please contact JD, 830.895.0100 or jdtempleton@tbck.org. He will examine the interest level and weigh the possibilities.

The **New Life Class** is open to anyone who is looking for a place to plug in for Sunday morning Bible Study. We strive to have rich discussions based around a topical look at scripture. Children's Ministry by Don & Debbie Nelson

Debbie and I are looking forward to participating again this year with Night in Bethlehem. For the past few years, we have been blessed with being able to help set up and work with other church members being a part of this community outreach. Some of the things we have heard from others who have either walked through or driven through the reenactment of the birth of our Lord have been very impactful to us. Families have the opportunity to discuss the various scenes of Jesus' life. The ability to drive through has been very beneficial to several of our friends who are mobility limited.

The drama and interaction from each character has meant so much to those taking the tour.

We have been truly blessed to have been working with so much talent that exists within this church - from the actors, planning, set-up and tear down, as well as the church staff. Night in Bethlehem is scheduled this year for the first Friday and Saturday in December.

December 2nd and 3rd from 5-6pm.

Please consider making this event a part of your holiday calendar.

GLO Games 2022

Trinity Student Ministries by Wes Henson

Wow, it's difficult to believe we are already in the month of November. October flew by. We were so incredibly fortunate for our Student Worship Team to have the opportunity to lead worship for Tivy's Fields of Faith. It was a great night as the Gospel was shared and students were given an opportunity to respond.

We followed Fields of Faith with our 4th Glo Games. 90 students showed up to participate in the games with us, and we had a blast. Add to it, we had over 25 adults who showed up to help, and I cannot thank Shelby Peschel enough for all the hard work she put into recruiting adults to help.

As we continue to grow, it's the willingness of Trinity members to serve in the student ministry that plays the biggest part of our success. If you're reading this and not serving anywhere, and are interested in helping with the students, please reach out to Marlene or myself so we can visit. We'd love to have you join us.

As we look at November, we have three key events: Operation Christmas Child Shoebox packing on Wednesday, November 2nd; CAM Thanksgiving Box packing on Saturday, November 5th; and Fall Retreat on November 20 & 21. Sign ups for Fall Retreat can be done at tbck.org/students or through the TSM App.

Finally, I'm beyond excited about the new space as the building nears completion. We are excitedly looking forward to welcoming new students and families into the Trinity Family, and helping make connections along the way.

Genesis 1 Trip

Fun and Fellowship with Prime Time By Don Francis

Prime Time is a ministry opportunity for seniors 55+ to gather for fellowship, entertainment, food, subjects of interest for seniors, and whenever possible, to do activities to serve our Lord. Here's just a little of what you can expect.

Prime Time game day is the first Monday of each month; we meet in the church chapel for a time of fellowship and games. Bring your brown bag lunch and perhaps some cookies to share. We play a variety of domino games and card games. Join us for a great time of fellowship and fun and laughter with games. The time is 11:00am until 2:00pm.

Prime Time meetings are scheduled at various times during the year. The meeting will include a meal, potluck or catered by Judy Brooksher, the church food expert. There will be music. We may sing as a group or be entertained by special guests. This past year we have enjoyed Trinity Men's Quartet, Ray and Jan Solomon, a Ray Stevens impersonator and a group from Sunrise Baptist Church. We have benefited from presentations by Greg Longenbaugh from Kerr County Sheriff's Department concerning frauds and scams, Dr. Dan Crawford led a 3 day conference for senior adults, and enjoyed open mic time sharing stories of what God has done in our lives. Most important of all we have enjoyed the fellowship with one another and sharing God's love.

The meeting on November 10th will be fried chicken potluck dinner, you bring a side dish and/or dessert. Misty Gordon will have a presentation on home safety and fall prevention.

Genesis 1 is an activity for all ages. It's an opportunity to visit some of our nearby Texas state parks, other natural areas and to enjoy the wonderful creation of our Lord. Activities will include hiking for those interested, a less strenuous walk, games when the facilities are available, brown bag lunches or possibly a restaurant lunch. The church van will be available for travel. For more information, call Gina in the church office or Don and Janice Francis, Prime Time Ministry Team leaders.
