MONTHLY NEWSLETTER OF TRINITY BAPTIST CHURCH/OCTOBER 2022—VOLUME 3, ISSUE 10

## For the Journey

As I write this article I am also watching and hearing about the devastating Hurricane Ian that has reached landfall and produced a state of emergency for five states, Florida, Georgia, South Carolina, North Carolina and Virginia. We remain prayerful for the safety of loved ones and the rebuilding that will need to take place as a result of the high winds and water. In times like these it brings some comfort to know that neighboring states are ready to assist with the needs. Hurricanes and natural disasters put us all in the position of appreciating assistance from fellow human beings. Join me as we continue to pray how God will reveal Himself through these circumstances. I have heard from our Texas Baptist Men teams that they are on standby and may be called to go at any time. What do we do when what we consider to be basic needs are gone? Several of you have experienced storms both natural and physical. There is a silence and awing of events that follow such times. When Hurricane Harvey hit Texas, Trinity Baptist sent teams of church members along with the Texas Baptist Men groups to assist in any way needed. I am grateful for the spirit of a church that is willing to go and get dirty, to walk alongside people who have needs of shelter as well as comfort. As followers of Jesus we are always called to be on standby whenever there is a need. Closer to home I am counting the blessings of a community and her leadership that stands consistent with Biblical standards. Both in our schools and our public library, there are those who give leadership to books that are appropriate for ages and community standards. We are blessed to have our City Officials and our School Board to give proper direction. Let us find ourselves supportive of those who are helping to lead us in the right directions. As we continue to think about blessings, we are getting closer and closer to a date for our grand opening of our new ministry space. Another blessing that overflows everyday is the faithfulness of Trinity Baptist Church to our godly assignment together. It is exciting to see the building taking shape and ceiling and floors being put in place. All of this because of our agreed upon direction and faithful support. Thank you Trinity for all you are doing. A Blessed Community is our new sermon series. We will be looking at the beatitudes in Matthew 5. I hope you will journey with us from Sunday to Sunday as we see the blessings of God and the faithfulness of God's people. Please remain in prayer for our Minister of Worship Search Committee as they work through the process of discovering our next Minister of Worship. Remember we have been blessed so that we might bless others in return. In Christ,

*Pastor John*

## *A Message from Sam Ligon*

September, 20 years ago, I became Church Organist & Music Associate at Trinity Baptist Church, Kerrville, Texas. I am privileged to serve here and have been blessed by the church fellowship through the years...especially the last 10 years following Nancy's home going. The choirs and our Bible Study Class (POF) are still a source of fellowship and spiritual strength to me on a weekly basis. The text of the song by the Gaither's "Loving God, Loving Each Other" sums it up for me! Look it up on line. It will bless your heart too.

It's my privilege to be a part of a great church fellowship and just wanted my family and friends to know how God has continued to bless my life here! Keep the SON in your eyes!

Sam

## First Blessing

Wow, Trinity Baptist Church - what a great job with First Blessing Mission Trip to Kerrville! Thank you to our First Blessing Lead Team: Judy Brooksher, Dianne & Mark Clemons, Linda & Rob Ward, Sue Owens, Donna Hinton, Becky Doyal, Mica Henson, Cortney Hawkins, JD Templeton, Cheryll Overla, Rae Peschel, and Paula Brucker.

There were over 120 Trinity volunteers that drove carts, welcomed guests, registered 317 children, cooked breakfast, served breakfast, hosted tables, guided guests around the church, measured feet, provided socks, helped fit shoes, served and gave out shoe bags, provided balloons and shared the gospel! Thank you so much to all that came and served our community. Trinity Baptist Church blessed children and families from all over our region.

**Family Block Party** is another ministry that our church has the opportunity to engage with our community coming on Saturday, October 29th from 1-3pm. Keith Coast will be at our event and bring his humor and illusions. We'll start our time off with games like corn hole, checkers, connect 4, etc. and then have time with Keith Coast. We will finish the time with more games and Kona Ice.

We'd love for you to sign up in your Bible Study classes to join us in welcoming & fellowship with our community. For questions contact Paula in the church office at: 830-895-0100 or [pbrucker@tbck.org](mailto:pbrucker@tbck.org).

## Trinity Student Ministry by Katie McMillan

As the Trinity Student Ministry rolls on through the fall semester, we are excited to see so many new and familiar faces in our midst on Wednesday nights and Sunday mornings. As we eagerly anticipate the completion of our building construction and a move into our new space, we are refining what our student ministry looks like. This fall, with the welcome addition of our 6<sup>th</sup> grade students, we are happy to be returning to our student small groups, or as we call them "Circles". Circles are crucial in providing our students with a more intimate setting in which to explore scripture, connect to God's messages to and for us, and apply those messages to their daily lives among their peers. While our goals remain the same, our structure has evolved to provide a more intentionally split small group setting for our middle and high school students. High school circles are meeting Wednesday nights, while middle school meets together in one group for worship and a teaching, while Sundays see the structure flipped.

With over 20 actively involved adult volunteers, our student ministry is growing and our connections within our circles continue to strengthen. Our circle leaders are guided by one united purpose, our "WHY", which is our desire to help students develop relationships that sharpen their faith, and encourage them to live lives dedicated to God. Additionally, we aim weekly to walk away from each Circles meeting having reached our "win" goals, which are for our students to feel seen, heard and known; for biblical connections to be made; and for our students to feel both equipped and challenged to live out their faith.

There are still opportunities available for adults to become involved in our student ministry. Any interest in or questions about our ministry can be directed to Wes at [whenson@tbck.org](mailto:whenson@tbck.org). We look forward to continuing to serve the students of Trinity Baptist and are eager to see how the Lord works through our ministry this year.

NOVEMBER 2ND

TSM  
WEDNESDAY

TSM STUDENTS! JOIN US ON WEDNESDAY, NOV. 2ND  
FOR A SPECIAL SHOEBOX PACKING EVENT. WE WILL  
PROVIDE EVERYTHING, JUST SHOW UP!

Thank you TBC for the support you gave to our First Annual Arts and Crafts Show. We had approximately 350 people come through the doors of our church, some in a church for the first time. On the registration card several indicated an interest in learning more about our church and several gave prayer requests. That is what it was all about! Praises to a God who answers prayers. Please begin praying for next year's show. Mark your calendars now for the second weekend in September! We will be in our new space and hope to expand the show. Also, a huge thank you to a wonderful group of friends who made the show possible:

Pastor John Wheat, Clint Brown, Carrie Overby, Sue Owens, Larry and Carol Westfall, Judy Stevens, Velma Wilson, and countless others who helped. TBC is the best! Lanie Ebelt, Craft Show Coordinator.

We kicked off the first of hopefully many future joint events with Women's and Men's Ministry. We began the day bright and early at 8:30am, already having cars on the lot. By 9am, the lot was beginning to fill up, and eventually we ended up with just over 20 cars attending the show throughout the morning. Some of the highlights was seeing Kaleb Kurz 1953 Chevrolet Rack Truck. This truck is practically 100% original right down to the tires, which he hopefully can replace soon. Trinity Staff showed up with Stephanie Clarke bringing her 1966 Mustang (Ruby) and Clint Brown with his 1980 Ford Model A replica. Another notable car that attended was a 1963 Split Window Corvette. A one-year only body style with less than 11,000 made, this car is very rare and highly sought after. We also got the privilege of having two post WWII Willys Flat Fender Jeeps, two Smart Cars, a rare Plymouth Pick Up. All in all it was a great morning for fellowship, and we look forward to the connections it creates. by David Clarke

# Marriage Ministry

by Lauren Kurz

Hello from the Marriage ministry team! We are praying that you and your spouse are enjoying this transition into the fall season! I want to encourage you to get out and take a stroll together (or sit next to each other on the couch) hold hands and even drum up conversation about some of your favorite memories together. I challenge you to ask each other if there is one way you can serve each other today. Be intentional about working towards that small act of service.

There are some upcoming events we would like for you to know about. First is the **‘Focus on the Family Weekend to Remember’**. If you are looking to take one step closer together we encourage you to make a small investment in your relationship. The event will be in San Antonio at the Hyatt Regency Hill Country Resort November 18-20th. You can register directly on The Familylife website for Weekend to Remember.

## Roots Class by Jamie Riordan

**The Roots Sunday school class** is a great place to dive deeper into the biblical text each Sunday morning. We just finished a series going through some of the smaller and less read books of the Bible and this

Fall we are taking a closer look at Genesis. Filled with so many of the stories we learned as children, Genesis is also rich with theology and its themes are echoed throughout the rest of the Bible. Clark Elliston does a great job teaching while also encouraging class discussion which opens the floor to unique perspectives and deeper learning. Whatever your age, whether there every week or visiting, there is something to be gained by attending! Please join us in room 221, Sundays, at 11 am.
