For the Journey...

Congratulations to our graduates. It has been encouraging to see these students mature in life and faith. Now, as they begin to make plans for great futures, we celebrate their achievements and their potential. We have been blessed through their growth and leadership within our student ministry and church family. We wish the best to all our graduates as they leave their legacy here and begin to make their mark wherever God sends them.

We also celebrate Charlie Barganier's third anniversary this month. We were blessed when Charlie, Vanessa, Noah, Micah and Hannah came to Trinity to serve alongside us. I am excited to see where the LORD will continue to take us under Charlie's leadership and direction. We have an incredible ministerial staff. Keep praying for our Youth Minister Search Committee as they work through the process of searching for our next Youth Minister.

The summer will afford Trinity many opportunities of continued ministry. Texans on Mission will continue to supply support for rebuild and recovery through the many participants already signed up to come and stay with us this summer. Thank you, Trinity, for your willingness to do things a little different because of the demands on

our shared space throughout the week. You are amazing and I am blessed to see your faithfulness and ability to adjust.

We will have a few guest preachers this month. Robert Wheat will be filling the pulpit on May 17th with Jack Bowers also preaching at our 9:45 service. Josh Gill will be preaching on May 24th. What a blessing it is to know we have capable and qualified people to share God's word with us.

I am always amazed at our Scripture reading together and how it so often fits with our combined journey on Sundays and Wednesdays. If you have not been reading with us, consider joining us for the summer as we read one chapter each day. God's word never returns without accomplishing the purpose for which it has been given. It never returns empty. We are blessed when we not only read it but live it.

With the summer just around the corner, don't miss out on finishing May strong and heading into our journey of camps and mission trips with the intentions of understanding more of all God is asking of us and providing through us. To God be the Glory!

In Christ,

Pastor John

Children's Day Out by Beth Ann Brown

We are coming to the end of another great year of our Children's Day Out program. It is such a joy to watch these children grow, change, and learn throughout the year. What a blessing it is to be a small part of their lives.

Children's Day Out is part of the Children's Ministry here at Trinity. We meet on Tuesdays and Thursdays through the school year. Our program includes children 4 months old to Pre-K. We have Chapel on Tuesdays in which the ministers share a bible lesson with the children. Thursdays we have "Movement" where we read a story and sing songs. Our teachers do a great job of teaching the children about Jesus, as well as teaching them various skills that they will need such as colors, shapes, letters, and numbers. The children leave here very prepared for Kindergarten.

We would love for you to partner with us as we prepare for our next year. We are looking for teachers and substitutes. If you have a love for children and want to help them learn about Jesus and their world, we would love to have you as part of our team. You can also pray for us. We can't do what we do without strength, patience, and wisdom that only God can provide.

I would love to talk with you about our program and share any additional information that might be of interest to you.

Youth Minister Search Committee by Loretta Keese

The Youth Minister Search Committee continues to meet regularly. We begin each meeting with a devotion led by one of our committee members. I chose my devotion topic to be Preparation, which is to build anticipation and initiative to see God. Proverbs 16:3 tells us to "Commit to the Lord whatever you do, and he will establish your plans." Also, Psalm 37:7a reminds us to "Be still before the Lord and wait patiently for him". We fully trust that God is at work throughout this process as we search for Trinity's next Youth Minister.

We are pleased to update you that in the past month, we have received and reviewed multiple resumes. We are currently excited about several candidates

and have sent questionnaires to them requesting additional information. After we receive their responses, we will move forward in our selection process.

Thank you for your continued prayers. We appreciate your faithfulness in praying for our committee, our future Youth Minister, our youth, and for our Trinity staff through this process.

"And whatever you do, whether in word or deed, do it all in the name of the Lord Jesus, giving thanks to God the Father through him."

Jubilee Class aka *Heaven's Waiting Room* by Eva Euler

Well, our Jubilee class is something special, you can feel the warmth as you enter the room (yes, sometimes the actual temperature is a little warm!). Throughout the Bible, we read encouragement to continue in the Lord's work regardless of our situation, including our health conditions or limitations such as less hearing ability, less walking capacity, less ability to digest our favorite foods.

However, you know what? Most of us are now at the age where we can view life around us seemingly with more compassion and understanding of what others, especially younger others, are going through in their lives. We believe that our biggest contribution is being prayer warriors for our church and for our individual class members.

My personal vision for our class is to see us become stronger prayer warriors for the teenagers and the young adults in our church. We can prayerfully lay the burdens of our young people on the altar, keeping them covered in the blood as they walk through these confusing times of their lives and of this world. If you know some young person who needs more prayer coverage, please notify us through direct contact with me or through JD.

Youth are not just the future of the church; they are part of the now church. Thank you for investing in discipleship! ~~JD

Oh, yes, we also try to go somewhere for lunch once in a while following the 11:00 service. Our special places are those with good access to parking!

Women's Bible Study by Velma Wilson

Ladies, if you have not been a part of a Bible study group lately, or maybe have never been in a group study, now is a good time to jump right in! Trinity Baptist has a wonderful Women's Bible Study program for women of all ages! At present, there are approximately 150 women who meet weekly to study God's Word. There are seven groups who meet on Wednesday mornings at 10:00 and two groups who meet on Thursday evenings, one at 6:00 and one at 6:30. Childcare is available for the Wednesday morning sessions by reservation.

Recently we have studied Joy of Living's study of Esther led by April Payne and Joy of Living's study of James, led by Debbie Williams. Starting in January of this year, we were amazed as Jennifer Rothchild led us through the study of the little book of Amos. Who knew it packed such a punch! And, we just wrapped up our semester with a sweet five chapter look into Psalms.

While 150 women can sound intimidating, remember that you would be a part of a

small group, usually 15-20, who would meet to go over the week's lesson. Your group would have a facilitator that leads your discussion and a prayer assistant who communicates prayer requests and announcements to that group. Those small groups usually become a band of sisters, surrounding you in love and support. Each group has at least one social during the study, and there is even one group who goes out to eat each week! After each small group discussion, there is a large group session, led by the main teacher of the study. This can be a video by authors such as Jennifer Rothchild or Priscilla Shirer, or one of our own Bible study leaders like Debbie Williams, April Payne, or Trish Wilson.

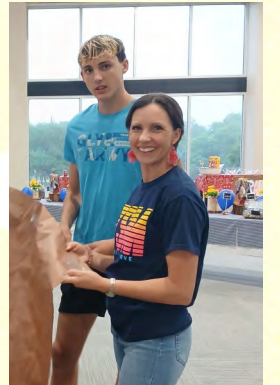

I hope by now that you are jumping at the bit to join one of our groups and be a part of this sweet fellowship! This is May, so just know that our groups will not meet during the summer but are eagerly anticipating our fall startup in September. Be looking in the church bulletins or check the church website, tbck.org, for dates and study topics. Come join us on our journey!
