JUNE 2026 – VOLUME 7, ISSUE 6

For the Journey...

"I press on, that I may lay hold of that for which Christ Jesus has also laid hold of me." Philippians 3:12

Congratulations, once again, to our graduates and their families for this wonderful marker of time and successful effort. We are excited to keep up with and hear about the next steps of our graduates. God has great plans for each one of them and we pray alongside for them to both hear and follow the LORD in the days to come.

I have been reading in the papers and social media about so many of our other students and their accomplishments this year. I hope you are aware that we have many incredible students in several schools throughout our county and that they are making a difference both in their futures and those around them. We anticipate a full summer of activities to continue developing strong disciples within our community. Thank you, parents, for your investment with your children. We count it a joy to be on the team that supports you.

Summer is here. School is out. Teachers are looking to the days of rest and renewal as many will begin at some point to plan for next year. Others will look at these summer months and plan for time away, vacations and trips. I hope that families will enjoy the extended time together and build great memories.

Mission trips, summer camps, day adventures, Bible studies, faith connections, and Sunday worship will all be part of our summer calendar. We hope you will take advantage of all that is offered and be renewed and refreshed when the fall comes around.

We are grateful that Texans on Mission are still supporting and assisting those in our community with rebuilding. I have said it more than

once, it is so good to be part of a larger family. In just a few weeks, we will be hosting over 250 on our campus, sleeping everywhere and serving in many places throughout our county. Bounce Ministries, Discipleship and Missions, Mission Serve, will be just a few larger groups with many churches still coming together throughout the summer. Thank you, Trinity, for the interruption and adjustments it has taken to provide such support to Kerr County. As a result, we will have some adjustments from week to week regarding rooms for our continued ministries.

As a staff we have been discussing a different approach to what we are offering to the church regarding next steps discipleship. This fall we will begin a new time on Wednesday nights for both meals and ministry options. There will be much more to share in our next Trinity Life. For now, pray with us as we seek the LORD's direction in how we can make the best use of times and efforts. We have an incredible staff and it is a joy to sit, pray and plan together.

Continue to pray for our Youth Minister Search Committee. Our students have a full schedule of ministry events and we are excited about the process the LORD has led our search team in looking for our next Youth Minister.

Next Month we will be remembering last year's flood while also preparing for the 250th celebration of our country. There are special events for July 3rd and July 4th. Stay tuned this month as we will be sending out reminders of planned events to both help us in recovery and to celebrate God's goodness to us as a country.

In Christ,

Pastor John

Music Notes by Charlie Barganier

Hey, Trinity family. Several groups involved in the Worship Ministry at TBCK are enjoying a short break over the summer, but there is still plenty going on. One is our Summer Singers group, which serves as our Worship Choir on Sunday mornings in the 11 AM service. This group is open to anyone who might want to enjoy a short-term involvement with the choir. We meet each Sunday at 10:45 in the chapel and go over our song for that day. It is a fun and relaxed way to join us and maybe find out that you would like to keep singing with us when we get started back "full-time" in the fall.

One other event to which I would like to invite everyone is our Family Gathering on July 26th, which the Worship Ministry is sponsoring. As has become our tradition, we invite everyone to bring their favorite homemade ice cream to share. Store-bought is ok, for sure, but this is a great excuse to use that ice cream maker that is sitting on your shelf. This year, we are honored to have our Agape Players providing some entertainment for us. Look for more info as we get closer!

Thank you for praying for and supporting the Worship Ministry of TBCK!

Dear Trinity Baptist Church & Pastor John,

We wanted to say "thank you" again for letting us be a part of your fellowship. We were blessed to get to know many of you via Wednesday night, Sunday services, and other gatherings. We were thankful for the home at 702 Bluebell and having a place to call home.

We arrived back in Senegal on April 19th and are excited to be back where the Lord has called us. We covet your prayers for the Lord's work here, to be faithful workers by His grace and power.

John, Karen & Shiloh Hinds

Dear Church,

05/21/2026

Thank you so much for allowing us to use your facilities and stay in your Missionary houses! I have thoroughly enjoyed being able to come out to this area and serve your community. The Lord has been very good to me and I also pray that He will be good to you! Thank you again for all of your support!

yours,
Emily Burch

Stitchers for Jesus Ministry by Cheryll Overla

The Stitchers for Jesus Ministry is a group of women who sew, knit, crochet and make hats with looms. These items are sent locally and worldwide, going with mission groups, to orphanages, children's homes and also with ministries that serve children with needs.

Some of the items made include girls' dresses, boys' shorts, baby and child hats, quilted blankets and afghans. Along with things made for babies and children we make adult bibs, walker tote bags and lap blankets for residents that are homebound or in assisted living or nursing homes. One lady in our group makes cloth dolls that go to children around the world.

We craft these things at home and have a monthly meeting where we bring in the items. In our prayer time we intercede for those who will receive these things, as well as for each other's burdens, needs and blessings. Stitchers is another way Trinity can "Worship-Connect-Serve" in a smaller group setting. We know each other well and look forward to meeting and sharing ideas about sewing etc. and updates on things we have prayed for. The ladies are talented and love to work with fabrics and yarns.

This spring we have also helped Kellee in the children's department with a preteen summer camp mission project. We made "wreath kits"; strips of cloth fabric that will be used to make door wreaths for nursing home/assisted living residents (400 of them!). We are already working on the shoe bags that will be given out in September for First Blessing.. about 550 shoe bags for the big day!

Does this group sound like a place where you could work and serve the Lord? We are happy to have new people join in and help us. It is a great ministry and fellowship group.

*"And do not forget to do good and
share with others, for with such
sacrifices God is pleased."*

Hebrews 13:16

Come and See Class by Jay Stimson

"Come and See!" is not just an invitation. Our Bible study's desire is to "come and see" Christ each week through His Word and to support each other with encouragement and prayer.

The apostle John wrote in his Gospel that ⁴⁵Philip found Nathanael and told him, "We have found the One Moses wrote about in the Law (and so did the prophets): Jesus the son of Joseph, from Nazareth!" ⁴⁶"Can anything good come out of Nazareth?" Nathanael asked him. "**Come and see,**" Philip answered." John 1:45-46 (HCSB)

And the proof He was the Messiah is recorded in Matthew 28. "But the angel told the women, "Don't be afraid, because I know you are looking for Jesus who was crucified. ⁶ He is not here! For He has been resurrected, just as He said. **Come and see** the place where He lay. Matthew 28:6 (HCSB)

We are a class of 10 to 15 people who meet in Room 212 each Sunday morning at 9:45am. It is for men and women of all ages. We have a fun ice breaker question each week that helps us get to know each other better. This is a safe environment from the world that allows us to be transparent and pray for one another's needs.

We currently use the Explore the Bible study curriculum which encourages us to let the Bible teach the Bible. We use scripture and cultivate discussions that include current issues and topics that are relevant to everyday life. Some of our best discussions are generated from questions brought up by class members. We would love to have you visit us. Come and See!

Quenched Class by Caleb Boles

The Quenched Bible Study Class provides a wonderful opportunity for young adults to come together in fellowship and deepen their understanding of God's Word. We offer a place where college students and young professionals can grow in their faith through reading and discussing scripture. You can expect to gain wisdom, encouragement, lots of laughter and a new understanding of what it means to dig into God's word. Quenched creates an environment where individuals can ask questions and learn what it means to really connect with God. Quenched will help you gain a new perspective within the stories you've probably heard a thousand times. The group strengthens not only personal relationships with God but also builds a hunger to learn about God's heart. We meet Sundays at 11 am in room 217, where we enjoy a good sense of community as we read, pray and grow together in Christ.

WORSHIP • CONNECT • SERVE

TRINITY

Student Ministry

Student Ministry by Forrest Walker

Trinity Student Ministry had an exciting and meaningful season over the past month, and we're incredibly thankful for how God continues to move through our students, leaders, and church family. One of the biggest highlights was our Sweets N' Smore Camp Fundraiser on April 26, which was an incredible success! Through the generosity and support of our church community, we not only met our goal, we exceeded it. Because of that support, every student who participated in the fundraiser will now be able to attend camp at only a fraction of the normal cost. It was such a powerful reminder of what can happen when the church come together to invest in the next generation.

We also recently celebrated a wonderful Graduation Sunday on May 17, recognizing 13 seniors as they prepare to walk the stage and step into a brand-new chapter of life and faith. It was a special morning honoring who they are, what God has done in their lives, and the exciting future ahead of them. Please continue praying for these graduates as they move forward in their walks with Jesus.

Looking ahead, our summer is already shaping up to be full of meaningful experiences, discipleship opportunities, and plenty of fun together. Horizon Youth Camp is coming up July 6, along with several other activities and events before and after camp throughout the summer. Be on the lookout this week for the release of the Trinity Student Ministry summer calendar for all upcoming dates and details!

Summer is Here! by Kellee Parish

Summer is here! This spring has gone by quickly and we are in full summer plan mode with VBS scheduled for June 8-11 (Mon-Thur) from 9-Noon. This year's theme is "Rainforest Falls: Discovering the Nature of God." If you are interested in ministering to kids in our church and community, please email Kellee at kparish@tbck.org.

Mini Kids Camp (Completed 1st-3rd Grade) is June 29-30 at Alto Frio Baptist Camp in Leakey. We have a great team of adults serving as sponsors this year. There are still openings if you know of someone wanting to attend. The cost is \$100. We will need a \$25 deposit to save your spot. We will send you the forms needed when we receive the deposit.

Kids Camp (Completed 3rd-5th Grade) is July 20-23 at Alto Frio Baptist Camp in Leakey. We still have space available for kids to attend. Our church does a fantastic job in helping with this camp. Pastor Keith Smith will be back again and our theme is "Wild Ride".

Contact Kellee or Bianca for more information about these summer ministry events.
